

Call for Internships at MANCH NSA under different boards

About MANCH NSA

MANCH: National Speakers Assembly is the brainchild of several legal luminaries and eminent personalities across the country and the globe. “MANCH” is India’s first debating and public speaking school. It is a dream online platform which aims at proliferating “The Art of public speaking” and “The Art of Debating” providing ingenious understanding and cognizance of various fields to make sure that this art penetrates to every nook and corner of the ever-growing Nation, which will help in creating and developing “Young Leaders”. We offer an exceptional speech and debate education to students across the nation. We provide the best instruction and argument development support available, so that students will experience competitive success.
